POSTER PRESENTATIONS 2019

#	PRESENTATION TITLE	PRESENTER	AFFLIATION
19	An ED Observation Unit Does Colonoscopy Preparations: Same	Matt Konz, BS	MCW
	Quality, Shorter Stay		
20	Effects of a Focused Cardiopulmonary Resuscitation Training	Michael Mancera, MD/	UW-Madison
	for Emergency Medical Services Providers on Chest		
	Compression Rate Metrics		
21	Maggots, mucous and monkey meat: Does disgust sensitivity	Emily Fleming, MD	UW-Madison
	affect case mix seen during residency?		
22	The Utility of Ground Transport of Traumatic Cardiopulmonary	Benjamin Krause, DO	MCW
	Arrest Patients by Helicopter EMS (HEMS) Crew		
23	Poison Center Vital Sign Documentation of Beta Blocker and	Paul Gill, MD	MCW
	Calcium Channel Overdose Cases with a Change in Electronic		
	Medical Record, a Quality Assurance Analysis		
24	Use of Police Reports and Emergency Medical Services Records	Robert J. Schneider, PhD	UW-
	for more Complete Transportation Injury Analysis: Exploration		Milwaukee
	of Bicyclist Injuries in Milwaukee, WI		
25	The Use of BNP Levels in Clinical Decision Making in the	Sarah Saenz	UW-Madison
	Emergency Department		
26	Comprehensive Care Improvement for Fever and Neutropenia	Nicholas Kuehnel, MD	UW-Madison
	from a Pediatric Emergency Department		
27	"ED Code Sepsis" — Which Patient Factors Lead Providers to	Ilan Kolkowitz, MD	UW-Madison
	Expedite Sepsis Care?		
28	Data and its Implication in Provider Practice Patterns	Eric Lyall, MD	UW-Madison
29	Comparing Emergency Care Use among Patients with Varying	Rebecca Green	UW-Madison
	Levels of Cognition		
30	Impact of Comic Concussion Discharge Instructions on	Alexandra Radowicz, BS	MCW
	Caregiver Knowledge		
31	Emergency providers' attitudes toward and experiences with	Susan Good, MD	MCW
	prescribing buprenorphine in an urban academic emergency		
	department		
32	Frailty Markers as Predictors of Outcomes in Geriatric Trauma	Sherman Yu and Aditya	MCW
